SPEAKER: The Chair recognizes Senator Kelly.

SENATOR KELLY: I'd like to reply to Senator Kime's question, special youth areas are not covered by this bill, they are exempted and there will be no fees allowed on special youth areas.

SPEAKER: Senator Carstens do you wish to close on your amendment?

SENATOR CARSTENS: Mr. President and members of the legislature, we've discussed this quite a bit and I'm sure that it's probably going to remain a question, but we are attempting to solve at least part of it, now when these people came in and started with these lease arrangements, the game commission was very happy to have them come in and invest their money and get set up so that these areas would be used and developed and I think that out of due respect to these people that put forth their efforts, they do need to have some protection. I think that is all I need to say, Mr. President.

SPEAKER: We are ready to vote on the amendment. Those in favor vote aye, those opposed vote nay, oh excuse me - do you have a question Senator Carstens, he has already closed.

SENATOR CARSTENS: I was just going to have this read again, was all.

SPEAKER: Okay, will the Clerk read the amendment again.

CLERK: (read).

SPEAKER: Senator Carstens.

SENATOR CARSTENS: Mr. President we didn't speak to the second amendment, I had assumed that we were taking one at a time, what shall we do here sir?

SPEAKER: Ah, the Chair will say that you're now taking up the first amendment.

SENATOR CARSTENS: Alright.
